5M7 GRAM

RAMBLINGS FROM District Governor Brian

Lions, Lioness and Leos of 5M7:

It's already Thanksgiving time, and there certainly is a lot for which to be thankful in 5M7.

On November 6, I attended the fall graduation of the Can Do Canines and I witnessed the most poignant moment in my life as a Lion. I saw Sergeant Corey Briest walk down the entry corridor of the Can Do Canines facility. Sergeant Briest, an Iraqi war Veteran, received severe head injuries during a roadside bombing in Iraq. Sergeant Corey came dressed in his military dress uniform, shoes shined and proud to be graduating with his assist dog from Can Do Canines. On seeing his head injury scars, I cried, because of the hard sacrifice he made for me, and pride that we Lions and Lioness had something to do in paying back Sergeant Corey for his sacrifice. Corey Briest received a standing ovation from all in attendance for his heroism. I believe there was not a dry eye in the audience. 5M7, we can be proud that we are the "Beacons of Hope" for Sergeant Corey Briest. Besides Sergeant Briest there were 18 teams that graduated that day: 7 mobility teams, 6 autism teams, 2 diabetic teams, 1 seizure team and 1 hearing assist team.

Lions and Lioness of 5M7, we made our donation goal of \$5000 to the Can Do Canine LCI \$75,000 matching grant – plus - we have raised the bar by another \$3,100.

Congratulations!!!!

Since August VDG Dave, VDG Paul, Lion Joanne, Lion Nancy, Shirley and I have visited 10 clubs for Governor's nights, 10 Zone Meetings, 2 Lioness Group Meetings, the Multiple District Leo's Leadership Forum at Camp Friendship in Annandale, the US/Canada Leadership Forum in Milwaukee and Thanksgiving for Vision. It's been a whirlwind of activity, and I am proud to represent you.

We're busy gearing up for the Mid Winter Convention January 14-16 at the Airport Marriott. Clubs should be busy registering for the Mid Winter, getting your delegates selected, and planning on a great weekend of fun. Lion District Secretary Tammy Mathees is looking for some help in the Credentials Booth. If you are interested in helping check in delegates, contact Tammy or me and I'll pass along the information. Our International Director Douglas Alexander will be present and will be speaking at various times throughout the weekend. We look forward to hearing from him.

Finally, again, I want to thank all of the Lions, Lioness and Leos in 5M7 for the awesome hard work you are doing in your communities. **You are the true "Beacons of Hope."**

DG Brian

Greetings to 5M7!

Well it looks like old man winter is just around the corner. It was nice to have the record breaking temperatures just before the snow. Was able to go

on one more bike ride before winterizing the Harley for the season.

We have been very busy with Governor nights, zone meetings and other Lion's events. We attended the Thanksgiving for Vision recently and heard many great speakers.

I hope all of you are making arrangements to attend the Mid-Winter Convention coming up January 14 – 16, 2011 at the Airport Marriot in Bloomington. We have a good program lined up again this year. You can find all the information on our website:

www.5m7.org . The prices are the same as last year so plan to attend.

With just days before Thanksgiving we should all be thinking about what we are thankful for; I know I am.

I have been asked to put on presentations for Project New Hope for a few clubs, but would like to come out to many more in the next year. I would be more than happy to come to your club or zone meetings to do a 15 -20 minute presentation. Don't forget, PDG Clay O'Flanagan is our Project New Hope Chair for the West side of the District. I know he would also be happy to come to your meetings to make a presentation.

1st DG Dave spoke at the R2Z1 Zone meeting about Project New Hope for returning GI's

Hi

If we reflect on the past two years membership change it is eye opening to realize approximately 10% of the Lions in 5M7 became members during 2009 and 2010.

With so many new Lion we have a very great opportunity to try new things and revitalize the things we do in our local clubs.. With this much mix of new members and existing members the possibilities seem to be endless.

But we need to make sure we help the new members learn about what it means to be a Lion. International President Sid Scruggs stated that it take time to make a Lion. I also read somewhere that we lose many Lions during their first three years. Thinking about those two issues 5M7 clubs have a big task in front of them to retain all our new members.

There are many tools to help us with this task. The MERLO team and Pride of the Pride are two tools we have at the local level. I think another great opportunity to expose new members to learn what Lionism is about is to encourage them to attend the Mid-Winter Convention. There they will meet members of other clubs. . They will learn about many of the programs we support and have the opportunity to meet International Director Douglas Alexander.

Remember the contest for free meals.

2010 Fall Graduation at Can Do Canines

First dog presented to a Service Member. Sergeant Corey Briest on stage with his service dog Baker.

Lions all,

This year DG Brian has initiated the "Governor's Club of Excellence Award".

This new award includes the "Pride of the Pride" program. I have been getting calls about the Pride of the Pride program and I would like to tell you about it. It is very simply designed to introduce new members to Lions and Lionism. It is designed for the sponsor or club appointed mentor, and the new member to do together. There is nothing strict about it, but the spirit of each of the eight points should be accomplished. It is meant to help make new Lions from your new members. If it is implemented to the fullest, it gets the new member educated, involved, exposed, oriented, and inducted. This should be able to be done in the first six months of membership. It should make stronger members, help with retention, and strengthen your club. It includes a page for a skills and interests survey. A page of questions about their club, 5M7, and MD5M. Also included is a copy of PDG Steve Halseth's abbreviated Orientation program. I would be happy to come to a club meeting or zone meeting to explain the program in full.

Yours sincerely in Lionism,

Introducing 2nd Vice District Governor Candidate Lion Norman Kelzenberg

Lion Norm has been a member in good standing of the Spring Lake Park Lions since October 1975. Currently Lion Norm serves as the 1st Vice President. Lion Norm has held every office in the club at least once and has held several positions multiple times.

Lion Kelzenberg's accomplishments are many in his 35 years of service.

Progressive Helen Keller Sight Award

SLP Lions Club President 1983-84

SLP Lions Club Treasurer 1994-95

District Gambling Advisor 1992-94

SLP Lion Club Secretary 5 years

Zone Chair 1985-86 & 2009-10

SLP Lions Gambling Committee Chair

Lion Norm has also attended and participated in two International Conventions and two USA/Canada Leadership Forums. He most recently attended the Forum in Milwaukee. Lion Norm has served the SLP Lions Club and district admirably.

In 1975, Lions clubs International Board of Directors voted to recognize groups of women who had been serving in Lions clubs auxiliaries all over the world. Some of the auxiliaries had been in existence and service in Lionism for nearly 50 years. For the first time, these woman's groups were united under one name, one banner, one emblem and one constitution.

Lioness Clubs support their sponsoring Lions Club in a variety of service activities in addition to planning and implementing projects of their own in their community. Lioness members are women who take an active interest in the cultural and social welfare of the community in which they live. They believe citizens joined together can initiate and carry out programs which will make their community and the world a better place in which to live. The staying power of Lioness Clubs in District 5M7 indicates it meets the needs of women who wish to unite with other women in community and humanitarian service. District 5M7 has eleven Lioness Clubs divided into two groups guided by the Lioness Liaison and two group leaders.

As MERLO Team Membership Co-Chairs, Lion Dewey and I would like to request the opportunity to visit your Club at a business or dinner meeting. We would love to have a chance to meet with you to talk about what membership recruitment policies and opportunities you may have. Lion Dewey is concentrating on the western part of District 5M7 and I am working on the eastern portion of the District. It is our hope to provide your Club with the tools and knowledge to help your Club members with their recruitment of new Lions. With this communication between the Clubs and the District, it is the hope we as a whole can reach the membership goals set by DG Lion Brian for FY 2010 – 2011. Don't forget, the rest of the MERLO Team is also here to assist you with your Clubs' membership. I'm sure they would all welcome the opportunity to meet with you! LEOS

Featuring the North Metro and Spring Lake Park Leos

On Wednesday, November 3rd, the North Metro and Spring Lake Park Leo Clubs met at the Coon Rapids Feed My Starving Children location for a challenge in which the two clubs competed to see which team would be able to box the most food. The event was a tremendous success, with the North Metro Leos taking the win with a total of 23 boxes packed, and the Spring Lake Park Leos following with 15 boxes. Combined, they boxed over 51% of the 74 boxes that were packed by the entire organization that night.

The North Metro participants were President Samantha Day, Vice President Rachel Naegele, Secretary Jessica Burggraff, Treasurer Madelyn Esperum, Dan Carlson, Luke Peters, Victoria Cartland, Dylan Ausing, Parker Hagen, and Paige Jones. Coon Rapids Lions Lyle Goff, Brenda Vaughn, Bill Guthrie, Chubb Trotter, Lori Anderson, Jessica Schultz, and Joel Anderson came along and came along to support the cause as well.

After the box counts were officially announced, Spring Lake Park advisor Pete Yelle and the North Metro President shook hands and Yelle initiated a rematch. The clubs are planning another challenge, although the date has yet to be announced.

The Lion's Code of Ethics:

Competition.

*To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and be true to myself. This is the third of eight statements making up the Lion's Code of Ethics and the third of four relating to business. Competition makes all of us better. It pressures us to do what we do in better ways with better results or to do something else. We all have unique talents and abilities and competition pushes us to do the things in life which we are born to do. Use your talents and abilities, sincerely wish the best to your competition, then, leave them in your dust by producing higher results than ever before to the benefit of us all!
Good luck!*

THANK YOU

To every club and lion who participated in "Name a Puppy Darwin" campaign. What a surprise to have him in his own District! For those who wish to still donate, please direct your contributions to "Name a Kennel". The money is desperately needed so Can Do Canines can increase the number of service dogs available. The waiting list for a service dog for an Autistic child is years! Make a difference! Blaine Central Lions Club

As part of their ongoing commitment to serve the Blaine community, the Blaine Central Lions Club conducted their second food drive of the year. On October 23rd, 1,000 empty grocery bags were delivered to homes in the Blaine area. Then, on October 30th they went back and picked up bags of groceries! In addition, Festival Foods in Circle Pines, allowed the Lions to set up a table to hand out 200 more empty bags to shoppers. The shoppers were then able to fill the bags with food and purchase these items to be donated toward the food drive. Festival Foods also put together bags of food that they sold to customers. This recent effort gathered 1500 pounds of food and \$77.61 in cash that was donated to a local food shelf in Blaine.

Lions Hearing Research Fellowship

Bob Nemeth apprises me that since its inception in 1997, the Hearing Foundation has awarded 963 Hearing Research Fellowships. A Fellowship is awarded when a club has raised \$1,000 for hearing research, so doing the math reveals that's a lot of support! Hearing Research Fellowships by district are as follows: 5M-1 84, 5M-2 155, 5M-3 11, 5M-4 12, 5M-5 61, 5M-6 134, 5M-7 217, 5M-8 181, 5M-9 61, 5M-10 30, 5M-11 17. Good on ya trustees! Keep spreading the good word.

Otolaryngology Surgeons Featured in The Medical Bulletin

You knew the team of head and neck cancer and facial reconstruction surgeons at the University were talented people, but you will be blown away by this excellent article in the University's Medical School magazine, The Medical Bulletin http://www.mmf.umn.edu/bulletin/2010/fall/rebuilding_faces/index.cfm. If you copy and paste this in your browser you can read about how Dr. Dave Hamlar reconstructing a woman's entire face after cancer and a life-threatening infection. Read about Dr. Amy Anne Lassig is one of a very rare breed, a microvascular surgeon, who stitches together microscopic blood vessels. How Dr. Bill Walsh and Dr. Peter Hilger can reattach a network of nerves so a patient can smile, eat and speak again. As you read the article and wonder at the skill and dedication of the ENT surgeons at the U, take a moment to give yourselves a pat on the back -- the Lions have played an important part in the research, facilities and educational opportunities that helped these doctors save lives.

The **Big Lake Lioness** held their annual Halloween Dance for the mentally/physically challenged at Options, Inc on October 28th in Big Lake. They had approximately 125 costumed clients who enjoyed snacks and dancing to a local DJ. All had a good time!

Lionesses Judie Zaske, Sue Sanford [project co-chair] and Dee Leslie taking a break from serving snacks and lemonade at Halloween Dance.

While the rest of us were taking a break during the summer, the **Montrose Lioness** we busy with the annual Montrose Days serving up root beer floats [a big hit since it was one of our hotter weekends!] and sponsoring their cake walk. In October they held a senior citizens luncheon at the Montrose Community Center with music provided by Arle Manz. These gals also had time to host a Halloween Bingo Party and Costume Contest at the Montrose Elementary School on October 29th.

Row 1: [L-R] Kathy, Jane, Deb H. Row 2: [L-R] Sandy S, Carol Row 3: [L-R] Wilma, Deb R. Joan and Sandy L. These ladies served lunch to seniors of the Montrose/Waverly area.

Buffalo will be hosting a Christmas Dance for challenged adults in their community in December. I know these ladies have a great time putting on this project. And of course, the people who attend have a wonderful time I'm sure.

Clear Lake has a busy November sponsoring their blood drive on November 16th, putting together a care package for a soldier in Iraq and donating to the food shelf. These ladies are getting ready to have their last meeting of the year but not before planning their December social.

With November comes the beginning of the holiday season. It's during this time that we find the Lions/Lioness/Leos working tirelessly to provide for those in need throughout their communities through food drives, gift baskets/cards and other various donations. We do it because that's what we do....**WE SERVE**.
